## Supplemental Amendment

RECEIVED

OCT 22 2002

Technology Center 2100

Applicant files this supplemental amendment to the Amendment Under 37 CFR 1.111 filed on 16 October 2002 (16.10.2002) in response to the Office Action mailed 16 July 2002 (16.07.2002). In the Amendment Under 37 CFR 1.111, Applicant stated that the response to the Office Action included new formal drawings, and stated that the drawings had been changed to add the legend "Prior Art" to FIG.1 as required by the Examiner. In addition, Applicant stated that informalities indicated on the Notice of Draft Person's Patent Drawing Review accompanying the Office Action had been corrected.

Unfortunately, Applicant inadvertently and erroneously included obsolete drawings in the Office Action Response that did not include these corrections. Accordingly, Applicant is now submitting the corrected drawings in this Supplemental Amendment. In addition, Applicant is sending the Examiner a separate set of these

corrected formal drawings and requesting that the Examiner forward the corrected formal drawings to the draftsman for review.

Applicant requests that the Examiner enter this Supplemental Amendment, and apologizes for any inconvenience arising from Applicant's error.

Respectfully submitted,

Karen S. Wright
